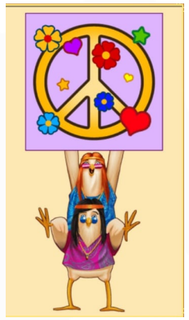
SCATTER



THE REEL CHICKS

Keep an eye out for these old-timer Hippie Chicks who can randomly cluck up on any spin!
If they have the energy to stay up long enough, they could award either the 'Power to the Reels' or ‘Give Scatters a Chance' reel modifier features!

POWER TO THE REELS

The Hippie Chicks channel their positive energy to create a Mystery Colossal Symbol that will be placed on the reels in a random position. Colossal Symbols may appear in a variety of sizes and could even fill the entire reels for huge wins!

GIVE SCATTERS A CHANCE

Watch as the Hippie Chicks add a battery of Scatter Symbols to the reels to give you greater prospect of triggering the Free Spins feature!
